*** A BLESSED ***
Christmas

*A Christmas Prayer
for Animals*
by Jenny Moxham

As Christmas approaches,
Dear God up above,
Please fill every heart
With compassion and love.
Fill all with the knowledge
That piglets and geese
And turkeys are also
Entitled to peace.
Please let people see
That to harm and to kill
Just doesn't make sense
At a time of goodwill.
This Christmas, dear God,
Please answer my prayer:
May love for all creatures
Abound everywhere.
